*"creating beautiful smiles"*

*Happy Holidays!*  
2007

*The Holiday Season is here! 'Tis the season to reflect upon past accomplishments, relish the moment we have with loved ones, and plan for the future in the upcoming New Year.*

*Thank you all for being a wonderful part of my life. I value each of you and I know you value me too.*

*This is the time of year we often count our blessings. I've been very fortunate.*

*Sometimes I wonder why God blessed this mischievous soul so much. God gave me the best family a man could desire. I still have my parents whom are so vital and whom gifted me love and the example of lasting relationships. Even got lucky to have the best in-laws!*

*We have a beautiful home and life in an idyllic town, with great schools.*

*We've been blessed with a successful practice, the best team of people to work with. JoAnn, Kathy, Martha and Carol are a team any doctor would envy. We greatly value our wonderful patients whom are loyal to us and have supported us over the years. I am honored to help people achieve a strong, healthy and attractive smile.*

*In return, this allows us to help those whom are less fortunate. We donated our services to a Katrina Victim, and women whom have lost their smiles to domestic abuse. We support the American Lung Association, the Hinsdale Community House, and to find a cure for juvenile diabetes, as well as many other worthy activities. We are also active in Elmhurst's fantastic Chamber of Commerce.*

*I love my work. I've been given the artistic talent to create beautiful smiles. I can make a difference in the lives of so many people by improving esteem and confidence. There aren't many things of greater importance or anything more valuable than this. In an instance, a smile can reflect all that is good about you.*

*"If in the hurry of life, you meet someone who is too weary to give you a smile, leave one of yours, for there is no one who needs one so much as the one who has none to give."*

*My wish is that you all have much to be thankful for, and have many blessings too!*

*From all of us to all of you,  
Have a wonderful Holiday Season and a Happy New Year!*
